

## Galerie Gourvennec Ogor

Founded by Didier Gourvennec Ogor in 2011, [Galerie Gourvennec Ogor](#) is located in the 'Golden Triangle' of Marseille in an old factory. Dedicated to international contemporary artists, it displays a wide range of art mediums and uses its compelling space with its five metre high ceilings to put on cutting edge exhibitions.

[Over the Rainbows](#): ~~10 July - August 10 2013~~

This collective exhibition will display several artists' work. The pieces will all explore the theme of Eurypide's 'rainbow in the sky'. Including the works of [Alix Delmas](#), [Pascal Fancony](#), [Julien Friedler](#) and more, the money raised from the exhibition will go towards AIDS prevention organisations.
